

# Broadcom SAS 9400-8i (05-50008-01)

Kod producenta: 05-50008-01

|                           |                                  |
|---------------------------|----------------------------------|
| Typ kontrolera            | SAS/SATA/NVMe HBA                |
| Przepustowość             | 12Gb/s                           |
| Ilość kanałów wew.        | 8                                |
| maks. ilość urządzeń SAS  | 1024                             |
| maks. ilość urządzeń NVMe | 2 x4<br>4 x2*<br>24 x2<br>24 x4* |
| Złącza wew.               | 2x SFF8643                       |
| Typ złącza magistrali     | PCI Express 3.1 x8               |
| Format                    | Low Profile                      |
| Waga                      | 360 g                            |
| Wyposażenie               | 1 x LP Bracket                   |
| Gwarancja                 | 36 m-cy                          |
| Uwagi                     | *Funkcja dostępna wkrótce        |

Designed for high-end servers utilizing internal storage, the 9400-8i Tri-Mode Storage Adapter is ideal for increased connectivity and maximum performance for data center flexibility.

With increased bandwidth and IOPS performance compared to previous generations, the 9400-8i adapter delivers the performance and scalability needed by critical applications.

- Connects up to 1024 SAS/SATA devices or 24\* NVMe devices
- Provides maximum connectivity and performance for high-end servers and applications
- Support critical applications with the bandwidth of PCIe® 3.1 connectivity

\*Feature available at a later release
