

Mellanox ConnectX-3 Pro EN Network Interface Card 10GbE dual-port SFP+ MCX312B-XCCT

Kod producenta: MCX312B-XCCT

Architektura	10GbE
Złącze	SFP+
Ilość portów	2
Typ złącza magistrali	PCI Express 3.0 x8
Format	Low Profile

ConnectX-3 Pro adapter cards with 10/40/56 Gigabit Ethernet connectivity with hardware offload engines to Overlay Networks ("Tunneling"), provide the highest performing and most flexible interconnect solution for PCI Express Gen3 servers used in public and private clouds, enterprise data centers, and high performance computing. Public and private cloud clustered databases, parallel processing, transactional services, and high-performance embedded I/O applications will achieve significant performance improvements resulting in reduced completion time and lower cost per operation.
