

# Supermicro MBD-X12SCZ-F, 1xSKT LGA1200, Intel Core 10 Gen., W480E, SATA, 2x1GbE, M.2, IPMI

Kod producenta: MBD-X12SCZ-F-O

|                     |                                                                   |
|---------------------|-------------------------------------------------------------------|
| Category            | Embedded                                                          |
| Form Factor         | Micro-ATX                                                         |
| Dimensions          | 9.6" x 9.6"                                                       |
| CPU Socket          | LGA 1200 (Socket H5)                                              |
| # of CPU sockets    | 1                                                                 |
| Supported CPU's     | Intel Xeon W-1200<br>Intel Core 10th Gen.<br>Intel Core 11th Gen. |
| Max CPU TDP         | 125W                                                              |
| Chipset             | W480E                                                             |
| Memory Type         | DDR4 ECC UDIMM<br>DDR4 non-ECC UDIMM                              |
| Memory Speed        | 2933 MHz                                                          |
| # of DIMM's         | 4                                                                 |
| Max Memory Size     | 128GB                                                             |
| # of PCIe x16 3.0   | 1                                                                 |
| # of PCIe x4 3.0    | 1                                                                 |
| # of USB Ports      | 6 x USB 3.2 Gen2<br>6 x USB 2.0                                   |
| # of SATA Ports     | 4                                                                 |
| # of SATA DOM power | 1                                                                 |
| # of M.2 2280       | 1                                                                 |
| # of Serial Ports   | 1 x COM                                                           |
| # of 1GbE Ports     | 4 x RJ45                                                          |
| Network Controllers | Intel PHY I219LM<br>Intel I210-AT                                 |
| BMC chip            | ASPEED AST2600 BMC                                                |
| TPM                 | 1 x TPM 2.0 9-pin Header                                          |
